Discussion	
To Note	

Executive summary of key issues:
<p>The purpose of the IM&T Strategy, attached as Appendices, is to set out the strategic direction for IM&T development over the next three years, for the period 2013 to 2016, and the process for implementing it. It will ensure that the IM&T developments undertaken are those required by the business to enable the efficient and effective provision of care.</p> <p>This plan for information systems and technology will facilitate the modernisation of services and improved communication both internally and externally with partner organisations. This will support the core purpose of the Trust to ensure:</p> <p><i>“We provide the highest quality mental healthcare that promotes recovery and hope”</i></p>
